

We are an engineering company engaged in the development and production of specialized environmentally friendly refrigeration technology. The technology used and integrated by MIRAI INTEX with innovative solutions opens new horizons in the field of cooling at ultra-low temperatures, aiming to minimize the negative impact of human on the environment. We offer our employees a unique opportunity to be an active part of a growing company, the ability to gain unique experience in a very interesting and innovative field.

For our growing manufacturing plant in Brno we are currently looking for talented and driven colleagues for following positions:

PROJECT MANAGER - BIOGAS, LNG

JOB DESCRIPTION:

- Management of production projects in the field of biogas and LNG, from the very beginning to its commissioning.
- Management of development projects (production innovation, production process, operation).
- Creation of time and budget plans and supervision of the quality area.
- Participation in contract negotiations with suppliers and customers.
- Preventing the emergence of possible technical problems within the project and possibly solving them.
- Processing and management of technical documentation for the project.
- Ensuring legislative and other mandatory administrative requirements within the project.
- Designing preventive measures, including the creation of emergency plans in the event that service intervention is necessary.

REQUIREMENTS:

- Technical university (ideally energy or petrochemical industry).
- Extensive knowledge of process engineering and biogas (focusing on biogas and LNG).
- Knowledge of the production process, transport and storage of biogas.
- Interest in gas and hydrogen technologies.
- English language at an advanced level, other languages an advantage.
- Driver's license.

WHAT DO WE OFFER YOU:

- Interesting work in an international environment in a technologically unique field.
- Space to apply your experience with the maximum possibility of self-realization.
- Pleasant and motivated team.
- Very good financial compensation in the form of a fixed salary.
- Flexible working hours.
- An extra week of vacation.
- Free coffee and drinks at the workplace.
